What to Pack

Cape May is a casual place. You will feel comfortable most anywhere in shorts and comfortable clothing.

Bring good walking shoes since there are many beautiful places within walking distance that you'll want to explore.

And, of course, bring your bathing suit and flip flops for those beach days!

As far as household items go, you'll likely want to bring sheets and towels (bath, beach, and kitchen towels).

For sheets you'll need 2 kings, 3 queens, and 6 singles to completely outfit all of the beds. (Or, rent from [Linen Ladies](#) who will drop off and pick up.)

Other things you'll want to consider packing are beach chairs and bicycles (although you can rent these too!).

Check-in

Check-in is at 2 pm during the summer season. Please *do not park in the driveway if you arrive earlier than 2 pm*. We need the driveway for our cleaning crew. There is usually plenty of free street parking in front of the house on Saturdays.

During the summer months, we will provide a four-digit code for use at the kitchen door. This code will activate at your 2 pm check in time and will be yours alone to use for the week. We'll provide new access codes each week to our guests. Please do not attempt to access our home early. The cleaning crew needs access during turnover and the floors need to dry before each group enters.

The beach box key will be in the home in the foyer...on an orange key ring hanging by the mail slot. We'll also leave a house key there. The house key operates the front door. Please leave both keys there when you check out.

Parking

There is lots of free street parking on this beautiful wide street. No parking meters on this block!

Also, there is parking for 4+ cars in our private driveway.

No parking in the backyard or lawn, please.

What's Provided

Beach Box:

During the summer months we provide, **free of charge**, the use of our beach box. Our beach box (lucky #7) is located at Jefferson Street beach entrance. We rent the box through [Gram's Beach Service](#) and they are the dark green boxes. The key to the beach box can be found in the foyer on a bright orange key ring. The box is large enough to accommodate beach chairs and toys, so you do not have to haul them back and forth to the beach each day.

Please make sure to clear out the beach box at the end of your stay and return the key to the foyer for the next group.

Beach Umbrellas:

During the summer months we also provide, **free of charge**, the use of two large beach umbrellas. The beach umbrellas will be set up daily by a member of the Steger's Beach Service staff each day and they will fold them up at the end of the day too...just tell them you are staying at the Magnolia Porch! Steger's Beach Service is located to the right when you enter the Jefferson Street Beach, it is between Jefferson and Howard and their cabana is blue.

Household Goods:

We also provide

- Dishwashing tablets
- Trash bags

- Liquid dish soap
- Paper towels (2 rolls)
- Toilet paper (1 additional roll for each bath)
- Coffee filters
- 3 new wrapped cleaning sponges
- Liquid hand soap in each bathroom
- Tissues in each bedroom and bath
- Plastic wrap, foil, and wax paper
- HE liquid detergent (Tide brand) for use in our High Efficiency clothes washer
- Cleaning supplies/disinfectant and air freshener in each bathroom under the sink

Clothes baskets, a huge clothesline, and clothespins can handle all of your after-beach drying.

Tealight candles are also provided as are candles on the outside dining table. Please use candles responsibly and please, please, *please* do not leave them unattended.

We provide waterproof mattress pads, quilts, pillows, and an extra blanket for each bed. Extra pillows and a fan are in each bedroom.

Kitchen and Grill Supplies:

Our large crab steamer and pots as well as an electric griddle and large (40 cup) coffee urn can help you with those big family-style meals.

Our kitchen and pantry are fully stocked with

- Bowls
- Baking sheets
- Roasters
- Frying pans of every size
- Pots
- Utensils and dishes of all types

Smoking is not permitted inside our home.

Please smoke only outside in the yard, or on the porch. Seashells are provided for ashtrays.

Pets

Pets are not permitted either inside or outside of our home under any circumstances. Please leave your pets at home.

No visiting pets are permitted for any length of time.

Our Cape May neighbors will tell us about any pets on the property. If you bring your pet, we will ask you to remove the pet or pack up. Please do not push us on this position.

Before You Visit

You might want to visit these websites to find out what is going on around town when you are here:

<http://www.discovercapemaynj.com/>

<https://capemaymac.org/>

<https://capemayhistory.com/>

Some of our favorite things to do in town:

- Free evening concerts at the Rotary Bandstand at 8 pm **every Wednesday and every Friday**.
- Free movies on the beach **every Thursday night** beginning at 8:30 pm!
- Sunset flag lowering ceremony complete with Kate Smith singing “God Bless America” over the loudspeaker at Sunset Beach **every evening** in the summer. Drive toward the flashing red light at the end of Sunset Boulevard.

Contact Information

Please feel free to text or call us at any time with questions.

Ann’s cellphone number: (610) 937-1061

Marc’s cellphone number: (610) 937-0405

Email: magnoliaporch@gmail.com

We handle all routine and other maintenance issues ourselves.

Grilling

We have a large grill in the yard with a side burner.

We provide propane tanks...one on the grill and two extras. Please turn off the tank at the source between uses so you do not run out.

Trash and Recycling

We have seven cans located on the driveway side of the house to the right of the garage.

Recycling:

All **recycling must be removed from the white plastic bags** before it goes into the blue cans! Please, please do not put white plastic bags into the blue bins. The City of Cape May will not pick up the recycling if you include the white bags...this creates a huge problem for us and it will back up our recycling for the next family and we will need to pay someone to come and sort those white bags out. Simply empty your recycling directly into the blue bins and discard the white trash bags into the black bins.

Please take out **ONLY** the four Blue Recycling cans on Monday night. If you have more than four cans of recycling, that's fine—just bag it up and put it out *next to* the Blue cans but please don't block the sidewalk. The City of Cape May picks up all recycling from the curb early on Tuesday. Please return the cans after pickup.

Trash:

Our private trash hauler comes into the yard on Wednesday to empty the black trash cans. Please try to empty the kitchen cans before they arrive so it doesn't get too smelly.

Checkout

Please return our home to us the way you found it.

Beds:

The beds should be made with the comforters and the pillows placed neatly back on the beds the way you find them.

If you rented sheets from Linen Ladies, please note that they will not strip the beds and you must strip their sheets (according to their instructions).

Cleaning:

The cleaning fee does not cover the remaking of beds, washing of dishes, or straightening of cabinets.

- Dishes: Please do not leave dishes in any of the sinks or in the drainboards or dishwashers. The cleaning or putting away of dishes will incur additional fees. **The dishwasher in the pantry has an “Express/Quick Wash” option that will wash dishes in about 30 minutes.** Use this option and your breakfast dishes will be finished in a flash and you will have time to empty the dishwasher before you leave.
- Refrigerators/Food: Both refrigerators should be empty when you leave. Do not leave opened or unopened food or beverages. And please, please do not leave sugar in the sugar bowl...the ants are always a problem at shore towns. Anything that is left (even unopened food) will be discarded.
- Trash: The trash should be brought to the outside cans when you leave.
- Beach Box: Please also make sure that you have cleared out the beach box and that you leave the orange keyring hanging in the foyer for the next group.

Keys:

The housekey and the beach box key need to be hung in foyer where you found them.

Please be on time when checking out; our cleaning staff arrives promptly at 10 am and will need to park in the driveway. Saturdays are very busy days for cleaning staff in Cape May. We are sorry but we are not able to accommodate late checkouts.

Internet

Our password protected WiFi is accessible throughout the house and on the porch.

Our WiFi's name is Magnoliaporch and the password is listed on laminated cards throughout the house. You should have no trouble finding the cards when you arrive.

Should you prefer not to use the internet wirelessly, you may use the cord provided to plug your laptop directly into our internet box. The cord is located in the living room's TV cabinet.

Noise Policy

The City of Cape May has a noise ordinance.

Weeknights: 10 pm – 7 am

Weekends: 11 pm – 9 am

Please take care to respect our neighbors' rights during the evening hours.

Coffeemaker

We have a twelve-cup programmable drip coffeemaker and coffee grinder. Coffee filters are provided.

We also have a 40-cup coffee urn for those bigger breakfasts. This bigger urn is located in the upper cabinet to the left of the stove.

Kitchen

Our new kitchen was added onto our home in 2015. Everything is new and we would like to ask you to help us keep it looking good for many years to come. Please see our [website](#) or [Cape May Rentals listing](#) for a description of this lovely space.

To clean the stovetop, use the non-scratch pink plastic sponge and Dawn foaming detergent or other stovetop cleaner located under the sink on the island. Please do not use abrasives or scouring pads on the top of the stove!

Please use cutting boards when chopping on our granite countertops. Cutting boards are located in the third drawer next to the dishwasher. Also, never cut citrus (including tomatoes) directly on the granite countertops as the acids in citrus will etch the surface and remove the sealants. We would like them to be looking good for many years to come.

The **wooden top in the Pantry** space is only protected by a few layers of varnish and should be used only as a decorative serving buffet. **It is not heat resistant and is not a cutting board.** Please take care to use cutting boards and cork rounds to protect this unique piece of salvaged custom furniture.

Beach

We use Jefferson Street Beach since that is where our beach box (dark green boxes #7) is located and where you will be able to get the two **free beach umbrellas** set up each day by Steger's Beach Service. Use of the beach box is also free to our guests during the summer season; we keep the key in the foyer. Just don't forget to clean out the box at the end of your stay and leave the key for the next group.

The 2.3 mile stretch of beautiful white sand beaches of Cape May are only one short block away. These are guarded beaches with 27 safe easy entrance access points, many with ramps. Jefferson Street Beach has an easy access ramp. An arcade, and pizza & sandwich shops, and other concessions are only a quick trip (3 blocks) down the promenade from the Jefferson Street beach. Our beachside promenade is a wonderfully maintained macadam surface with plenty of public restrooms, rinsing stations, and water fountains for your comfort.

You will need **beach tags** for anyone over 12 years old in the summer months, but tags can be purchased at all of the beach entrances. Cost of tags: \$20 for weekly (Saturday–Saturday) or \$30 for seasonal. **FREE** beach tags for active military & their immediate family and for veterans with proper identification (discharge papers). Inquire at Beach Tag Office (704 Beach Ave) and complete a Beach Tag form for military tags.

Surf chairs are available at any time of the year free of charge from the Beach Patrol. These large PVC beach chairs are ideal for use by older folks or anyone who is not able to easily navigate the sand. You can call to reserve in advance (609) 884-9520.

Surfing is permitted on all unguarded beaches at any time, and on a guarded beach at Queen Street which is only one block from our home.

Paddle boarding is permitted on all unguarded beaches at any time, and on guarded beaches except from 9:30 am – 5:30 pm. A 25-foot launch and landing area is designated for paddleboards at the Third Avenue Beach and at Poverty Beach for accessing the water outside of the bathing & surfing zones.

Ocean Tides

Lifeguards protect the beautiful white sand beaches of Cape May during the summer months. The beach patrol posts the tide charts at their headquarters on the promenade.

The beach is only one block away. Access the beach at either Jefferson Street (where our beach box is located) or at Queen Street.

TV / Cable

We subscribe to an upgraded Comcast cable package with sports channels.

There are two large 55 inch Hi-Definition Smart TVs in the home...one in the living room and one in the den.

Two first floor bedrooms (the King room and the Queen room) have TVs, and one upstairs bedroom (the King room) has a TV. All are new, flat screen, and hi-definition.

Golf

There are many area golf courses.

[Cape May National](#) is only five miles away.

Helpful Tips

The front steps are a wonderful place to take a group photo.

Bug spray is located in the sideboard near the long table on the porch.

Grocery Stores & Delivery

The following grocery stores are close by and offer delivery options:

- [Acme Market Cape May City](#) (315 Ocean Street, Cape May)
- [Acme Market](#) (3845 Bayshore Road, North Cape May)
- [Shop Rite](#) (1700 Route 47 South, Rio Grande)

Laundry

There are wonderfully efficient new full-size machines at the house.

Soap:

We provide HE laundry soap (Tide Brand) for your use. Please use only a very, very small amount of soap. The water in Cape May is soft...you just do not need as much soap as you do at home. Also, these are very efficient machines and less soap is required. Too much soap will ruin the machine because it needs to work extra hard to rinse the soap bubbles.

If you choose to use your own laundry soap, please use only **HE type soap**. If you choose to use the HE "Pod" type of soaps in the machine, please add them directly to the load...not in the little soap drawer.

Misc.:

- If you must wash the mattress pads, please line dry them only; they should not go in the dryer.

- Please try to keep the washing machine door open between loads. This will help to avoid a mildew smell that can sometimes occur with the front-loading machines.
- No dryer sheets in the dryer please. They cause build-up on the lint screen.
- We also have two irons and ironing boards at the property. One is located in the first-floor laundry room (behind the door) and the other is upstairs in a closet.

Fishing

Surf fishing is permitted along many of the beaches including the area 100 feet east and west of Queen Street jetty during guarded bathing hours. The Queen Street Jetty during guarded bathing hours. The Queen Street Jetty is only one block away. Fishing is permitted at any time before or after the guarded bathing hours on all beaches.

Many fishing party boats depart from the marinas daily and are available for hire.

Heat & A/C

Yes, we have central air for your summer comfort! There are two air conditioning units in the house—one for the first floor and one for the second. The thermostats are in the hallways. Please do not turn the temperature too low as it will freeze the system and it will shut down.

We have a Nest thermostat control system in place on each floor. To adjust the temperature, please only rotate the dial. Please do not push the dial to operate.

House Rules

The House Rules were made part of the rental agreement. They will be posted on the fridge in the kitchen too.

Here they are again, in an abbreviated form:

1. Please inspect the home upon arrival -- you are responsible for leaving it as you find it
2. **No pets allowed** either inside or outside of the home. No visiting pets either. No smoking inside.
3. Maximum number of people in the home is 16.
4. contact Ann or Marc Melso for appliance or other repairs
5. Don't sit on our furniture in wet suits and don't put wet towels there either
6. Please use our outdoor showers or foot wash to rinse the sand off after the beach. Foot wash is located on Jefferson Street side of house.
7. Please conserve energy by turning off lights and appliances and don't waste water
8. Don't rearrange furniture or household equipment or TVs and don't take any of it outside
9. No one is permitted out onto the upstairs balcony and please don't sit on the porch railings
10. Don't attempt to close the pocket doors between the living room and foyer
11. Don't light the fireplace (June through September)
12. Do not bring any of the Magnolia Porch's bedding to the beach
13. Neither the living room nor den is to be used as sleeping quarters
14. Do not bring bikes into the house or onto the porch. keep them in the bike racks in the yard
15. Do not adjust the bedroom shades by pulling on them. use the pull cords
16. Please don't damage the bedspreads & comforters by laying on them while covered in suntan lotion. The pillow shams are decorative so shouldn't be used for sleeping
17. No parking on the grass or in the backyard.

Please make sure everyone in your group is aware of the rules.

Thank you!

Miscellaneous

The two flowerpots at the curb could use a bit of water if it is particularly dry. A tea kettle or two of cold water splashed on those would be appreciated if you think of it. For any gardeners out there....yes, you may dead-head the flowers if you're so inclined and we thank you for it :)

We are so thrilled you are able to enjoy our beautiful historic home. Please take care of it as if it were yours...and enjoy!

Tennis

Please check capemaytennisclub.com for a schedule of tournaments.

If it's not raining too hard, visit the [Cape May County Park and Zoo](#) which was voted the third best zoo in the U.S. (!) by TripAdvisor a few years ago! See more than 200 species on 80 acres.
